

Learn how to be an effective Lead Auditor by attending our internationally certified five day course. Understand the requirements of ISO Standards and how competent auditing helps create organisational success. On completion, you will be ready to Plan and then Lead your own Audits (internal, supplier or external), including the Lead Audit pre-requisite for Certification Bodies. Distance learning options for this course may be applicable on request.

A nighttime photograph of a city skyline, featuring the CN Tower prominently in the center. The tower is illuminated with blue and red lights. The surrounding buildings are lit up, and their lights reflect on the water in the foreground. The sky is dark blue.

5 Days

\$3345 +GST
