

# Effective Project Management

Learn how to be an Effective Project Manager. Based on ISO21500 and Project Management Body of Knowledge (PM BoK) this course is very much hands-on: with small group work, role play, breakout sessions and open forum discussions. There is some pre-course work required to enable maximum benefit from the course. Students will leave the course with the skill sets and tools required to effectively manage projects from the get-go.
