# IQM GROUP

Asset Management
ISO 55000/1:2014

Enrol in the foundation training of the basic elements of implementing and operating an asset management system (AMS) in your organisation During this training you will learn the key elements of an AMS such as the AM policy, Strategic asset management plans and AM maturity assessments, etc. according to the ISO 55001 asset management standard.

1 Day   **$500 + GST**

- Gain knowledge on the requirements of an AMS based on:
  - ISO 55000:2014 Asset Management – Overview, principles and terminology
  - ISO 55001:2014 Asset Management – Management Systems Requirements
  - ISO 55002:2018 Guidelines for the application of ISO 55001
  - ISO 55010:2019 Guidance on the alignment of financial and non-financial functions in asset management
- Small groups to ensure maximum tutor interaction
- All our tutors are certified Lead Auditors, CAMA and AM practitioners
- Practical scenarios and focus on implementing and monitoring AMS performance
- All course materials provided
- Book Online – iqmgroup

Call +64 22 1701 471 or email Raymond raymond@iqmstrategies.com to enrol or find out more about in-house group training based on your organisation's requirements.

Internal Auditor
ISO 17021-5 / 55001

Learn how to be an effective Internal Auditor of the ISO 55001 Asset Management System requirements in your own, or your client organisation. On completion you will be able to conduct internal audits or support Lead Auditors for pre-ISO certification preparation or for implementing best practices to enhance your asset portfolio value, minimise costs and risks through developing effective improvement plans.
